

Alma Mater

Washington Wilkes, Our Alma Mater
Here's a toast to you
And to all our friends and classmates
We will e'er be true.
Many are the hours we've spent here
Days and long years too
But for all we'd not exchange them
Dear Old Gold and Blue.

Washington Wilkes, our Alma Mater
You have served us well
And with grateful hearts we thank you
More than we can tell.
You have giv'n us our foundation
That will help us through
So we'll never cease to love you
Dear Old Gold and Blue.
