WWCHS Edgenuity Application

IMPORTANT NOTE: This signed agreement must be returned to the student’s Counselor for final approval

Student Name: _____ Grade: _____ School: _____

Student Cell: _____ Student Email: _____

Parent/Legal Guardian: _____ Home Phone: _____

Parent/Guardian Cell: _____ Parent Email: _____

This Parent and Student Agreement is for the Edgenuity course(s) listed below:

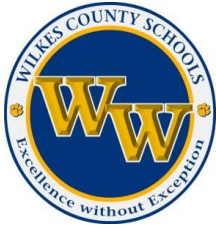

1. _____
2. _____
3. _____
4. _____

I understand that the WWCHS Edgenuity program provides students with opportunities to earn initial course credit (IC) or recover a credit for a previously failed class (CR). Courses offered through Edgenuity are software/computer-based instruction and the curriculum aligns with GA State Standards. Students enrolled in core courses that require an EOC Milestone will take the state assessment at the completion of the course. Opportunities to earn credit may be offered during the school day or through independent study. Credits earned by successful completion of these courses will count towards fulfilling requirements to obtain a Georgia High School Diploma.

It is important that parent(s)/guardians and students have a clear understanding of what is involved in computer-based/Edgenuity instruction and what it takes to be successful in such a course. Students should be **highly motivated, strong readers, technologically proficient, self-disciplined, and well-organized**. Students are required to meet with their school counselors to discuss program expectations and requirements in-depth prior to course enrollment. Once a student is enrolled in Edgenuity, the commitment is for a full academic semester.

Course Completion, GPA, and Class Rank: Edgenuity courses will be posted to the student’s transcript and added to GPA/class rank calculations (if applicable) at the end of the term in which the course was completed. All courses started during an academic school year must be completed by the end of that year. Summer or extended year courses must be completed by the term/date set by the student’s school and posted to their transcript no later than July 30th.

Advisement for Student Athletes: The NCAA has very strict guidelines regarding credit for courses taken online. Some Edgenuity courses may not be approved by the NCAA. Before enrolling in any class, be sure to consult with your high school’s Athletic Director, School Counselor, and post-secondary institution to determine if the course that you are considering is approved for credit by the NCAA.

WWCHS Edgenuity Parent & Student Agreement

Student Commitment – As a student enrolled in a WWCHS Edgenuity course, you have committed to complete all requirements of this course. Specifically, you are agreeing to the following:

1. I will abide by the districts most current Internet Safety and Acceptable Use Policy and Academic Integrity Policy. I understand that WWCHS expects a full commitment to academic integrity and appropriate internet use from each student. I further understand that if an instructor confirms that I have violated either policy I may be dropped from the course, which will negatively impact my overall GPA and course credits earned.
2. I will login; interact with the content, activities and assignments as required by my Teacher of Record (TOR). The length of time I may need to spend at each login will vary with what I need to accomplish on that day or session. I understand that it is much easier to 'keep up' than to "make up" assignments.
3. I understand that, in order to earn credit, I must complete all assignments, tests, quizzes and the final exam by the due dates indicated in my course-pacing guide. I also understand that the Edgenuity system measures and reports student course work, including progress, idle time and time on task.
4. I agree to complete all tests and exams under the direct supervision of designated school official. Unsupervised tests or exams will not count towards grade calculation and may require that I retake affected assessments.
5. I will notify my Edgenuity Lab Manager and Teacher of Record if further assistance is needed with the program and/or course content.
6. I understand that the WWCHS Grading Policy applies to all online courses for initial credit and credit recovery. It is agreed and understood that to earn or recover course credit students must master the Georgia Standards for the courses in which he/she is enrolled. Credit Recovery (CR) and Initial Credit (IC) credit will be awarded as follows:
 - **Credit Recovery Course:** Students are eligible for Credit Recovery (CR) if they have previously failed the course with a grade of between 50%-69%.
 - **Initial Credit Course:** Upon successful completion of an Initial Credit (IC) course, the student's transcript will reflect the appropriate high school credit (1.0 or .5) and numeric grade earned in the Edgenuity program.
7. I am responsible for communicating with my Edgenuity Lab Manager and/or TOR when I am not able to do the work for whatever reason.
8. If I fail to complete the expected number of assignments and routinely fall behind in my course's established pacing guide, my parent(s)/guardians will be contacted to set up a plan to resolve the issues. If the issue continues, I may be removed from the course with a WF posted to my transcript.

WWCHS Edgenuity Parent & Student Agreement (Cont'd)

Parent Commitment: By signing below you are giving your child permission to enroll in the listed Edgenuity IC or CR course. Your signature indicates agreement and understanding of the above requirements. You are further agreeing to the following:

If my student will be accessing their Edgenuity course outside of the traditional school day, I will ensure my student has access to the Internet either at home or through a public institution (i.e. school or public library). I understand that hardware problems and/or computer virus problems are not the responsibility of the school district. I will ensure that the teacher is notified if there are technology problems that negatively impact access outside of schools.
