Remote Learning with Kami: For Students

Getting started with Kami's integration with Google Classroom™

Step 1

- Make sure you have signed in to Google with your Wilkes County email account.
- Check your browser for the Kami extension - look in the top right corner

Step 2

- Go to [Google Classroom](#), open your class, and go to **Classwork**.
- Open your **Assignment**, and choose the file you wish to work on. You should now see a preview of the file; click **Open with Kami** to start completing your work in Kami.

A blue rectangular button with a white 'K' icon on the left and the text 'Open with Kami' on the right.

Step 3

- Sign in using your school's Google account using the **Allow Google Drive** button.

A blue rectangular button with a white Google Drive icon on the left and the text 'Allow Google Drive' on the right.

Step 4

- Select **K12 School**, then **Student** as your role, then **Finish**. Now, Kami is set up on your device.

What are you using Kami for?

K-12 School

Pick your role

Student

Step 5

- Once you're finished with your work, click the **Turn In** button. This will submit your work to your teacher. Yay! You've now completed and submitted your assignment.

A blue rectangular button with a white document icon on the left and the text 'Turn In' on the right.
